Children who are hungry find it difficult to stay alert and participate in their classroom experiences. The School Breakfast Program helps close the "readiness gap" with nutritious food in a cost-effective manner before classes begin. Breakfast is offered in ALL schools.

To apply for free or reduced price meal benefits, complete a family application, which is available in your school's office or from the board of education office. If your student qualifies for free or reduced price lunch, they also qualify for free or reduced price breakfast.

*Brandenburg Primary is a peanut free site, therefore chicken drumstick will be served on the 2nd week Monday and a ham & cheese sandwich will be served on the 3rd week Monday in place of PB & J Uncrustable.
